A Step-by-Step Guide To Planning an HUSSC Award Celebration**

## **Appendix B – Sample HUSSC Celebration Invitations**

Invitations to your school's HUSSC Award Celebration can be as simple as a colorful flyer or as elaborate as a four-color invitation printed on card stock, or something in between. Following are three HUSSC Award Celebration invitations that were sent out by Montana schools during the 2011-12 school year.

Gallatin Gateway School District created a colorful flyer for its invitation. Luther School used Power Point to design a color invitation which was printed two to a page, landscape layout, on an 11" by 8.5" piece of card stock, then sliced in half. Schools have also sent handwritten invitations, which were well received.
